Tujuh Residences is tucked away between the vibrant atmosphere of Kwasa Damansara City Centre and the city's lush greenscape.

Designed for contemporary living, Tujuh Residences strikes a balance between it all. Retreat into nature and take in the peaceful seclusion, unwinding to the sounds of cascading water at the poolside cabana - without taking your finger off the pulse of the city.

At Tujuh Residences, embrace the comforts of urban city living without the hustle and bustle of a busy metropolis.

Tujuh Residences Facade (Artist's Impression)

Guardhouse and Main Entrance (Artist's Impression)

Inspired By Nature

Like Malaysia's rainforest trees, Tujuh Residences stands majestic and tall. Its facade mirrors the textures of trees and like its inspiration, it is deeply connected to the rhythms of its surroundings. Tujuh Residences gently beats with the city and is part of the larger, green masterplan that is Kwasa Damansara City Centre.

The city's sustainable systems, walking paths and dedicated green spaces makes for a seamless co-existence with its surroundings, extending Tujuh Residences' close connection to nature.

This is your urban sanctuary. Put down your roots, start anew and discover living in harmony with nature.
